

## \$1 per month for 3 months mobile promotion

Between 15 February 2023 and 31 May 2023, sign up using the promo code **MATE1** and activate a new MATE mobile plan to get your first three months of standard service for \$1 per month. Offer not applicable to existing MATE service numbers. Additional charges may apply for non-included service features.

### terms and conditions

Between 15 February 2023 and 31 May 2023 ('**promotion period**'), sign up using the promo code **MATE1** and activate a new MATE mobile plan to get your first three months of standard service for \$1 per month. Offer not applicable to existing MATE service numbers. Additional charges may apply for non-included service features.

- (a) Offer not applicable to a service number that has been attached to any other MATE mobile plan during the promotion period.
- (b) Offer not applicable if mobile plan is not purchased and activated during the promotion period.
- (c) \$1 charge will be applied to the first three (3) monthly invoices. After three (3) months, price reverts to standard plan fee.
- (d) \$1 charge per month covers standard monthly plan fees and all standard plan inclusions as per MATE's [Mobile Critical Information Summary](#) ('**CIS**'). The CIS and MATE's [mobile - price table summary](#) also explain non-included service features and additional charges that may apply to them.
- (e) MATE may withdraw this offer at any time, but not in relation to a mobile plan that has already been purchased before withdrawal.
- (f) This offer may not be combined with any other MATE special offer or promotion, unless the terms of the other offer or promotion expressly state otherwise.
- (j) MATE's standard service terms also apply - see [Standard Form of Agreement](#) ('**SFOA**').
