

Try MATE for \$1

Sign up using the promo code **TRYMATE** by 31 August 2023 and activate a new MATE internet or mobile plan to get your first month of standard service for \$1. Offer not applicable to existing MATE internet services and mobile service numbers. Additional charges may apply for non-included service features.

terms and conditions

- (a) Offer not applicable to a mobile service number already connected to a MATE mobile plan.
- (b) Offer not applicable to an internet service already connected to a MATE nbn plan.
- (c) Offer only applicable once per mobile service number/nbn service address.
- (d) \$1 charge will be applied to the first month invoice. After one (1) month, price reverts to standard plan fee.
- (e) \$1 charge for first month covers standard monthly plan fee and all standard plan inclusions as per MATE's [Critical Information Summary](#) ('CIS'). Additional charges may apply for non-included service features. The CIS and MATE's [mobile - price table summary](#) explain non-included service features and additional charges that may apply to them.
- (f) MATE may withdraw this offer at any time, but not in relation to an internet or mobile plan that has already been purchased before withdrawal.
- (g) This offer may not be combined with any other MATE special offer or promotion, unless the terms of the other offer or promotion expressly state otherwise.
- (h) MATE's standard service terms also apply – see [Standard Form of Agreement](#) ('SFOA').
