

## information about the service

adsl plan	minimum monthly charge	included monthly data	minimum term
city mates adsl standalone	\$49.00	Unlimited	1 month

**The offer includes:** An adsl broadband internet service for residential use.

**The offer is a bundle of services:** No.

**The offer requires mandatory purchase of Telecommunications goods from us:** No.

Use of MATE's adsl plan requires a compatible modem/router. MATE can supply a [NetComm NF18ACV](#) modem for \$149.00 (includes delivery). Once purchased, this modem is non-refundable, other than in accordance with your rights under the Australian Consumer Law.

**Available minimum term:** 1 month

**Included data allowance:** Unlimited

**Exclusions:** MATE does not support any equipment or wiring at your premises beyond the network boundary point. MATE does not offer priority assistance. If your fixed line telephone service is disconnected, your adsl service will also be disconnected (and your service may be terminated).

**Important conditions:** MATE's adsl service may not be available in all areas or premises and there may be technical or commercial reasons that affect our ability to connect adsl at your address. Please contact our team for availability on 13 14 13 or [support@letsbemates.com.au](mailto:support@letsbemates.com.au). All MATE adsl plans require an active fixed line telephone service to operate.

**Important limitations:** MATE's adsl plan can provide download speeds up to a theoretical maximum of 20Mbps to eligible customers in selected areas and up to 8Mbps in many other areas but average speeds will be lower. MATE delivers all adsl services over the Telstra network.

## information about pricing
