

information about the service

adsl plan	minimum monthly charge	included monthly data	minimum term
country mates adsl + home phone	\$99.00	Unlimited	1 month

The offer includes: An adsl broadband internet service for residential use.

The offer is a bundle of services: Yes.

The offer includes: A bundled fixed line telephone service (PSTN).

The offer requires mandatory purchase of Telecommunications goods from us: No.

Use of MATE's adsl plan requires a compatible modem/router. MATE can supply a [NetComm NF18ACV](#) modem for \$149.00 (includes delivery). Once purchased, this modem is non-refundable, other than in accordance with your rights under the Australian Consumer Law.

Available minimum term: 1 month

Included data allowance: Unlimited

Exclusions: MATE does not support any equipment or wiring at your premises beyond the network boundary point. MATE does not offer priority assistance. If your fixed line telephone service is disconnected, your adsl service will also be disconnected (and your service may be terminated).

Important conditions: MATE's adsl service may not be available in all areas or premises and there may be technical or commercial reasons that affect our ability to connect adsl at your address. Please contact our team for availability on 13 14 13 or support@letsbemates.com.au. All MATE adsl plans require an active fixed line telephone service to operate.

Important limitations: MATE's adsl plan can provide download speeds up to a theoretical maximum of 20Mbps to eligible customers in selected areas and up to 8Mbps in many other areas but average speeds will be lower. MATE delivers all adsl services over the Telstra network.

information about pricing

The minimum monthly charge is: \$69.00 (all prices include GST).

A \$10.00 discount will be applied each month if there is an eligible SIM-only mobile service(s) on the account at the time of billing. If the eligible SIM-only mobile service(s) on the account is ported away to another provider or disconnected, and no active SIM-only mobile service(s) remain on the account, the discount ceases and the plan reverts to the standard monthly price. Excludes \$15.00 1GB mobile plan.

The total (minimum) cost over the plan term of 1 months is: \$69.00 plus any applicable connection fees for your particular situation and any calls made outside of your included allowance.

Early termination charges: \$0 (Not applicable).

Setup charges: A standard Telstra connection fee will apply to connect your telephone service if this is currently inactive. Existing telephone line without a Telstra technician visit: \$59.00; Existing telephone line with a Telstra technician visit: \$99.00; New telephone line connection: \$240.00 with a Telstra technician visit and cabling work (upfront payment required).

A two minute national call is: \$0 (bundled PSTN service includes unlimited local and national calls).

Additional calls: 13/1300 calls charged at \$0.50 per call, calls to mobiles charged at \$0.40 per 60 seconds, international calls charged at [various rates](#).
